

The Georgian Inn is endorsing the "Florida Clean Indoor Air Act" which stipulates that smoking is not permitted in the common areas such as the lobby, public restrooms, game room, spa, Welcome Aboard Room, stairwells, enclosed hallways and elevators.

Also, based on the decision of the Board of Directors of the Georgian Inn Beach Club, the following regulation has been enacted:

Smoking is prohibited in any unit, except on the balcony area with the door closed.

For our guests who prefer not to smoke on the balcony, we have a designated smoking area with benches and receptacles for your comfort located on the south side of our building.

Our no-smoking rule is not a 'no-smoker rule.' Smokers will simply have to use the designated area. An ashtray has been placed on the balcony table for this purpose.

We understand this may be an inconvenience for you, and we appreciate your help in keeping our property clean and safe for ALL our owners, exchangers and guests.

Any violation of this rule could result in an assessed fee of up to \$100.00 for cleaning and deodorizing of the unit.
